## Work Experience

---

2021 - Present      **Urban Outfitters - Associate Designer**  
Philadelphia, PA  
  
Primary designer for all Men's shorts, pants, and heavy knits. Assists in Men's denim and sweaters design. Creates CAD Tech Packs for each of these categories. Generates original graphics for seasonal collections, internal presentations and fabric prints. Reviews and approves all fabrics, samples and prototypes. Oversaw the growth of the 40M\$+ bottoms business by avg. +35.5% during my tenure.

2016 - 2016      **Helmut Lang - Merchandising Intern**  
New York, NY  
  
Worked between the design and sales departments to develop collection assortment and assets distributed to wholesale partners. Assisted with the execution and rollout of special projects like the Helmut Lang X Travis Scott collection. Participated in New York Market Week responsibilities, including wholesale appointments with target international stockists.

2017 - Present      **Carter Young - Founder, Designer**  
New York, NY  
  
Head designer of RTW clothing for luxury unisex clothing label. Responsible for all creative and art direction, merchandising, coordinating production with vendors and managing domestic and international manufacturing facilities. Oversees the production of all aesthetic imagery including all seasonal lookbooks and three successful fashion short films. Secured wholesale partnerships with select international retailers including SSENSE, Colbo and Chinatown Country Clu, Jackpot and YOWIE. Received favorable coverage in Vogue, New York Times and WWD.

2015 - 2015      **Kith - Design Intern**  
New York, NY  
  
Worked with the womens design team to launch Kith's inaugural womenswear line. Helped source original fabrics for new asset categories and provided input on final collection assortments ahead of the brand's unveiling.

2017 - 2017      **1017 Alyx 9SM - Creative Assistant**  
Ferrara, IT  
  
Worked closely with the design team, including Creative Director Matthew Williams, on the development of new collections and custom fabrics. Presented research for graphic development and designed documents used for internal creative processes. Coordinated content strategy, and product rollout with the PR and brand management teams. Assisted in Paris Market Week showroom appointments.

2014 - 2014      **Alexander Nash - Studio Apprentice**  
New York, NY  
  
Drafted and maintained client records and organized patterns in showroom. Assisted in sourcing appointments and fittings, creating relationships with domestic manufacturers in New York City's Garment District. Gained first-hand knowledge of traditional menswear tailoring in the American tradition.
